Quarterly Newsletter

A Mom's Corner

During this quarter we've had 3 Gabriel Project Moms deliver their babies. This beautiful baby girl Adanne Zoe was born in July. And Mom and baby are

doing well.

The Lord also blessed us with baby Zain, whom is seen here in his car seat that was donated by TGP. He was born on August 12th, Mom and baby are at home doing well after a complicated birth that kept mom and baby in the hospital for a few days.

Below is beautiful baby girl Rachel, recently delivered, Rachel has two other sisters, ages 9 and 7 years old. Mom and baby are home and doing well at this time.

The mom that we reported in our last quarter's Newsletter, whom delivered twins and remained in the hospital with her premature babies, is home now and doing very well. They continue to be monitored for any assistance or needs they may require.
